

TUTORIAL

Making & learning design patterns

Patterns constituting a complete pattern language.

References

Put all your references in here. These references could also be annotated if you like to, in order to give more information.

Related patterns:

Personalisation

Put all related pattern in here. The personalisation pattern is chosen because the virtual assistant pattern could operate with a personalisation mechanism or act like one.

Author (s):

Rune Baggetun

Name of the author who wrote the pattern.

Date:

30.10.2003

Date completed. You could also put in a 'last updated' date. Remember design patterns and pattern languages are evolving entities.

Acknowledgements:

Shepards: Weiqin Chen, Barbara Wasson, Steinar Dragsnes, Anders Mørch

Put in everybody that have helped you or you want to give some acknowledgement. You can give a short explanation of their contribution (e.g. the date is provided by Jon Doe and Professor Foo gave me correction on the Context section).
